

## RE POST

Retractable barrier post

RE POST

Height [cm]	85
Base diameter [cm]	45
Pole diameter [cm]	7

Material	powder coated steel
Weight [kg]	8
Tape	length: 300 cm, width: 5 cm, print: print on the tape (optional)*
Mechanism	spring based webbing retractor, magnetic belt end

\* The print is made by digital printing on a polyester fabric tape; available colours of tape for digital printing according to the Neoplain sampler: Gray (12), White (01), Ecru (11)\*\*, Beige (10)\*\*; background colour has a significant impact on the final colour of the print, which is why we recommend printing on a white tape - White (01), in the case of printing on a tape other than white, the logotypes are made in dark, contrasting colours; we do not make white prints on coloured tapes; it is possible to order a sample print on any fabric from the Neoplain palette.  
 \*\* colour not included in the standard colours palette; delivery date can be extended.
